

Job Title

Worship Arts/Associate Pastor

Position reports to:	Senior Pastor
Salary range:	TBD
Employment status:	Full Time/Salaried

Position Overview

Serve as the primary overseer of music and technology, in coordination with the Senior Pastor and Elders, to provide an opportunity for all believers to worship and praise our Lord Jesus Christ.

Principal Accountabilities

- Guided by the Senior Pastor's church-wide vision, develop the mission for the Worship Ministry, which includes the planning, coordination, and operation.
- Oversee the direction and spiritual quality of the Worship Ministry.
- Establish expectations (spiritual and performance-based) to ensure that the Worship Ministry is an instrument of the Holy Spirit and that a standard of quality is maintained.
- Develop a strong worship team to include a worship band, vocal team, and tech team to include sound, video and lighting.
- Recruit and train volunteer leaders for responsible positions with the Music Ministry.

Job Skills Required

- Have the ability to lead services with a musical instrument.
- Oversee vocal and instrumental groups.
- Ability to manage digital support for services and meetings such as web design, sermon podcasts, service slides, and announcement loop.

Qualifications

- A Christian with deep spiritual and moral convictions as identified in I Timothy 3.
- Have training/experience in worship ministry.
- Education: Bachelor's degree or higher is preferred.
- Agreement with the doctrinal position of Cornerstone Church of Clarion and will become a member of the church
- Ability to lead, organize and supervise
- Proficient in applicable church software
- Team player: contributes to the overall vision, goals and ministries of the church

Ministry Expectations

- Serve in other ministry areas as delegated by the Senior Pastor
